EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jonathan M. Harris, Reg. No. 44,144 on March 28, 2005.

2. The application has been amended as follows:

In the claim: Please amend **claim 1** as follow:

Line 1, please replace "the configuration" with -- a configuration --;

Line 3, please replace "the current configuration" with -- a current configuration --.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

IBM TDB (IBM Technical Disclosure Bulletin) discloses a method for performing hardware compatibility testing (with a target system). A multiple number of functional test points (FTP's) can be varied between various system configurations. The compatibility can be viewed and verified by comparing the results (of various system configurations) with the target system to see whether both system having the same configuration.

Applicant's admitted prior art teaches a method for determining an optimum software configuration by loading and testing various versions of software. A particular software configuration that makes the system performs the best is selected.

Art Unit: 2116

Applicant's claimed invention distinguishes over the prior art for the following reasons. The claims are allowable over the prior art of record because none of the references, either alone or in combination, discloses or renders obvious the method of improving a configuration of a computer system comprising the steps of determining a current configuration of the system, the configuration including hardware and software information which including version information; determining an overall problem index value associated with the current configuration; varying the configuration of the system and re-determining overall problem index value for each configuration varied.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
